

Summer 2024 Financial Aid Request

Typically financial aid awards cover an academic year which includes the fall and spring terms. If you will be attending the summer term (trailing term) and are interested in financial aid, you must inform the Office of Financial Aid by submitting this summer aid request form after you register for your classes and at least two (2) weeks prior to the start of the term. It is important to note that summer aid is extremely limited as most students exhaust eligibility at the end of the spring term. Once our office receives this form, we will evaluate and determine if you have any remaining eligibility. Please allow 3 business days for processing.
