Dear Ms. Watt,

Thank you for your interest in a partnership with Education One, L.L.C. and Trine University. We understand the time and commitment that it takes to complete a charter school application and commend you for your dedication to Level Up Learning.

Unfortunately, after a thorough review of the application submitted on behalf of Level Up Learning, we regret to inform you that your application for charter authorization has been declined at this time.

While it is evident that the applicant team is devoted to creating a purposeful pathway to addressing identified educational deficits in the community, the model requires further development and concerns related to the school's financial capacity are present.

We encourage you to further develop your application in order to address these concerns, and consider reapplying to Education One in the future. Please do not hesitate to contact me at lindsay@education1.org or 260-665-4600 with any questions you may have.

We appreciate your passion and wish you success in future endeavors!

Sincerely,
